Who WE ARE & What WE DO

Mission:

African Vision of Hope is a Christian organization committed to bringing immediate and lasting solutions to children and families living in extreme poverty. We confront the root causes of poverty by providing opportunities to be educated, grow up healthy, develop leadership and economic skills and learn about God's love.

Vision:

For every child and family in Zambia to be released from extreme poverty and have the ability to fulfill the purpose God has for their lives.

We ensure children can:

- Grow up safe and healthy
- Receive education
- Learn critical life skills
- Find restoration in Christ
