

MISSION TRIP INQUIRY

Thank you for your interest in joining us on a mission trip!

Before going on a mission trip, potential candidates need to get to know **African Vision of Hope** so they understand who we serve, what our mission is, where and when we go, and why we exist. Every candidate should have at least one of the following with African Vision of Hope:

- Volunteer service of a minimum of 10 hours
- Be a current or previous Child Sponsor
- Other support or involvement

This will help you on the mission field better engage with those we serve, enable you to better plan for your trip, and connect with the rest of the mission team.

We will contact you to discuss trip availability and other details. Please select the trip you are interested in:

- Go to africanvisionofhope.itraveliq.com/trips
 - Select the trip you wish to attend and register with the website
 - Create a profile, filing out your personal and medical information
- Upload a photocopy of current passport (**must be 6 months before expiration from time of departure**)

Once approved for a trip:

- Submit the \$500 Deposit & Complete Background Check
- Trip leader will send Mission Trip Packet & Forms
- Get ready to see the amazing works God has in store!

Please note, African Vision of Hope will not hold your spot on a mission trip until you complete and submit all required documentation and monetary requirements. Mission trip spots fill quickly - please practice due diligence and complete the application in a timely manner.
